

How to submit a panel proposal to an existing thematic stream at the ASAUK 2020 Conference

Before you submit a panel, you must have created a user account to use the Conference Abstract Management System.

For more information on how to do this see: <http://www.asauk.net/asauk-2020/call-for-papers-and-panels/>

Follow this link to submit your abstract:

<https://www.conference-service.com/ASAUK2020/access.html>

Please note that for purposes of programming we can only allow ONE paper or panel proposal submission per person. In addition, you can propose a Roundtable and/or book launch for the conference (a total of THREE ways to participate at the conference).

After you have received your confirmation email, please log in again and follow these instructions:

1. On the submission page please press the button **New Submission**

Welcome Personal data Submission/s Emails Reviews

Your conference submissions

On this page you can check the status of all the submissions you have created for this conference. Within the given deadlines, you can create, edit or withdraw existing submissions.

The working language at the conference is English and all contributions must be submitted in English.
